DIANins Option+ Plan

International Health Insurance for F1 OPT

www.dianins.com/option-plus-plan

OPT is called Optional Practical Training, which is granted by the U.S. immigration service to the students with a F-1 visa, without applying for an H1B visa. Students can use OPT status to do legal internships. OPT students must choose a health insurance. Schools generally do not provide health insurance. Most employers will not provide health insurance for non-full-time international students therefore F1 visa holders in OPT status should prepare health insurance with enough coverage limit and low deductible.
