DIANins Blue+

Welcome to the Global Benefits Group (GBG) family! This is a short-term medical Plan intended to provide Accident and Illness coverage while you are temporarily away from your Home Country and studying abroad.

If your study abroad program has you temporarily residing in the United States, there are requirements and instructions on how to maximize benefits and receive reimbursements for Prescription Medications, Medical claims, and other benefits covered under this Plan. There are also requirements for Pre-Authorization of specified medical care. Dedicated GBG Assist personnel are available to assist you.

- **Using an In-Network medical Provider in the U.S. provides full reimbursement of eligible medical expenses after a Deductible.** See the section titled "Preferred Provider Network" for assistance with locating a Provider.
- **Pre-Authorization is a process for obtaining approval for specified non-emergency, medical procedures or treatments.** Failure to Pre-Authorize when required will result in a reduction in payment by the Insurer. See the section titled, "Pre-Authorization Requirements and Procedures" for more complete details.
- **Prescription Medications must be obtained from any CVS/Caremark pharmacy.** Present your Medical Identification card to the pharmacist along with the copayment, at the time of purchase. The pharmacy will bill GBG directly for your prescription. See the section titled, "How to File a Claim" for information on Prescription Medication Claims. A list of participating pharmacies can be viewed at www.gbg.com.
- **Hospital Emergency Rooms** should only be used in medical emergency situations. A medical emergency situation is where your life or health is in jeopardy. Using an emergency room is very expensive. If you using an emergency room for convenience or for any reason other than a serious medical emergency, you will be responsible for a large portion of the payment.

If you are studying in a country other than the United States, GBG Assist is available to guide you through the process of obtaining medical care in a foreign country.

4.0 GEOGRAPHIC AREAS OF COVERAGE

4.1 Areas of Coverage

The Plan is written on a Worldwide basis.

4.2 Preferred Provider Network

The Insurer maintains a Preferred Provider Network both within and outside the United States.

United States only:

- **In-Network Preferred Provider:** This tier consists of all Providers as well as other preferred Providers designated by the Insurer and listed on the website. In-Network Providers have agreed to accept a Preferred Allowance as payment in full. The Medical Identification Card contains the logo for the network. Present it to the Physician or Hospital.
- **Out-of-Network Provider:** Utilizing Providers that are Out-of-Network is a more costly financial option for the Plan Participant. The Insurer reimburses such Providers up to an Allowable Charge as determined by the Insurer. The Provider may bill the Plan Participant the difference between the amounts reimbursed by the Insurer and the Provider's billed charge. Additionally, the Plan Participant will pay a Coinsurance amount that is higher than if an In-Network Provider were used.
- **Out-of-Network Area:** When there are no network Providers located within a 30-mile radius of your local residence, charges from such Providers will be treated the same as a U.S. In-Network Preferred Provider.

All other Countries: If your Plan provides benefits outside the U.S., then the Plan Participant may utilize any licensed Provider. However, we suggest the Plan Participant contact GBG Assist to locate a Provider with a direct billing arrangement with the Insurer.

The Insurer retains the right to limit or prohibit the use of Providers which significantly exceed Allowable Charges.

5.0 PRE-AUTHORIZATION REQUIREMENTS AND PROCEDURES

Pre-Authorization is a process by which a Plan Participant obtains approval for certain medical procedures or treatments prior to the commencement of the proposed medical treatment. This requires the submission of a completed Pre-Authorization Request form to GBG Assist a minimum of five business days prior to the scheduled procedure or treatment date.

The following services require Pre-Authorization:

- Any Hospitalization;
- Outpatient or Ambulatory Surgery;
- All Cancer Treatment (Including Chemotherapy and Radiation);
- Prescription medications in excess of \$3,000 per refill; and
- Medical Evacuation/Repatriation involving Air Ambulance;
- Any condition, which does not meet the above criteria, but are expected to accumulate over \$10,000 of medical treatment per Period of Insurance.

Either you, your doctor, or your representative must call the number listed on the back of the Medical Identification Card to obtain Pre-Authorization and verification of Network utilization. Prior to the performance of services, a letter of authorization will be provided.

B+ DIANins Blue+

Medical Emergency Pre-Authorizations must be received no later than 48 hours after the admission or procedure. In instances of an emergency, you should go to the nearest Hospital or Provider for assistance even if that Hospital or Provider is not part of the Network.

Failure to obtain Pre-Authorization will result in a 30% reduction in payment of covered expenses. Any such penalty will apply to the entire episode of care and does not apply to the Out-of-Pocket Maximum. If treatment would not have been approved by the Pre-Authorization process, all related claims will be denied.

Pre-Authorization approval does not guarantee payment of a claim in full, as additional Copayments and Out-of-Pocket expenses may apply. Benefits payable under the Plan are still subject to eligibility at the time charges are actually incurred, and to all other terms, limitations, and exclusions of the Plan.

In the event of an emergency that requires **medical evacuation**, contact GBG Assist in advance in order to approve and arrange such emergency medical air transportation. GBG Assist, on behalf of the Insurer, retains the right to decide the medical facility to which the Plan Participant shall be transported. Approved medical evacuations will only be to the nearest medical facility capable of providing the necessary medical treatment. If the person chooses not to be treated at the facility and location arranged by GBG Assist, then transportation expenses shall be the responsibility of the Plan Participant. Failure to arrange transportation as indicated will result in non-payment of transportation costs.

In the event of death, a certificate of death must be provided.

12.2 Medical Evacuation/Repatriation

In the event of an Emergency that requires **medical evacuation**, contact GBG Assist in advance in order to approve and arrange such emergency medical air transportation. GBG Assist, on behalf of the Insurer, retains the right to decide the medical facility to which the Plan Participant shall be transported. Approved medical evacuations will only be to the nearest medical facility capable of providing the necessary medical treatment. If the Plan Participant chooses not to be treated at the facility and location arranged by GBG Assist, then transportation expenses shall be the responsibility of the Plan Participant. Failure to arrange transportation as indicated will result in non-payment of transportation costs. The cost of a person accompanying a Plan Participant is covered under this Policy, with expenses subject to pre-approval by GBG Assist.

B+ DIANins Blue+

If a Plan Participant is at sea, the Insurer would request the Plan Participants are evacuated by sea rescue to a country within their purchased Area of Coverage, where circumstances allow.

13.0 HOW TO FILE A CLAIM

All claims worldwide are subject to Usual, Customary,

B+ DIANins Blue+

and Reasonable charges as determined by GBG and are processed in the order in which they are received. In order for claims payment to be made, claims must be submitted in a form acceptable to Insurer.

13.1 Medical and Prescription Medication Claims

To file your claim, submit it online at www.gbg.com. Log into the Member Area and select Submit Claim, and then follow the instructions to complete the online claim form. If you are unable to submit your claim electronically, you can mail or fax your completed claim form and copies of supporting documentation. After submitting the claim, you will receive a claim reference number and an electronic receipt for the claim will be sent to you by email.

Claims may be submitted to the Insurer directly by the Provider or Facility. The Insurer will process the claim according to the Schedule of Benefits and Plan terms, and remit payment to the health care Provider. Ineligible charges or those in excess of the Allowable Charges will be the responsibility of the Plan Participant.

If the Plan Participant has paid the health care Provider, the Plan Participant will submit the claim form along with the original paid receipts directly to the Insurer. Photocopies will not be accepted unless the Claim is submitted electronically. The Insurer will reimburse the Plan Participant directly according to the Schedule of Benefits and Plan terms.

Submit claims by:

Web: www.gbg.com	Mail: GBG Administrative Services 27422 Portola Parkway Suite 110 Foothill Ranch, CA 92610 USA	Fax: +1 949 271 2330	Email: eclaims@gbg.com
-------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------	--------------------------------	-----------------------------------------------------------------------

13.3 Reimbursement Options

Claims reimbursements will be made by:

- Electronic Direct Deposit for the Plan Participant where the receiving bank is located in the U.S.,
- Wire Transfer for the Plan participant's and overseas Providers where the receiving bank is located outside of the U.S., or
- Check sent to the Plan participant or Provider where electronic payment is not possible.

13.4 Settlement of Claims

When claims are presented to the Insurer, the Allowable Charges will be applied towards the Deductible. Once the Deductible has been satisfied, all Allowable Charges will be paid at the percentage listed on the Schedule of Benefits, up to the listed benefit maximum. Note the amount of Allowable Charges applied towards the Deductible also reduces the applicable benefit maximum by the same amount.

If the Plan has an Out-of-Pocket Maximum, once it is met the Plan will begin paying 100% of Allowable Charges for the remainder of insurance coverage, subject to the benefit maximums. The Out-of-Pocket Maximum does not apply to any expenses covered under the Prescription Medications benefit.

13.6 Releasing Necessary Information

It may be necessary for the Insurer to request a complete medical file on a Plan Participant for purpose of claims review or administration of the Plan. It may also be necessary to share such information with a medical or utilization review board, or a reinsurer. The release of such confidential medial information will only be with written consent of the Plan Participant.

13.7 Coordination of Benefits

It is the duty of the Plan Participant to inform Insurer of all other coverage. In no event will more than 100% of the Allowable Charge and/or maximum benefit for the covered services be paid or reimbursed. If a Plan Participant has coverage under another insurance contract, including but not limited to health insurance, worker's compensation insurance, automobile insurance (whether direct or third party), occupational disease coverage, and a service received is covered by such contracts, benefits will be reduced under this Plan to avoid duplication of benefits available under the other contract. This includes benefits that would have been payable had the Plan Participant claimed for them.

13.8 Subrogation

When the Plan pays for expenses that were either the result of the alleged negligence, or which arise out of any claim or cause of action which may accrue against any third party responsible for Injury or death to the Plan Participant by reason of their eligibility for benefits under the Plan, the Plan has a right to equitable restitution.
