The Insurer provides access to a Preferred Provider Network within the United States.

United States only:

In-Network Providers have agreed to accept a Preferred Allowance as payment in full. The Medical Identification Card contains the logo for the network. Present it to the Physician or Hospital.
- **Out-of-Network Provider:** Utilizing Providers that are Out-of-Network is a more costly financial option for the Insured Person. The Insurer reimburses such Providers up to an Allowable Charge as determined by the Insurer. The Provider may bill the Insured Person the difference between the amounts reimbursed by the Insurer and the Provider's billed charge. Additionally, the Insured Person will pay a Coinsurance amount that is higher than if an In-Network Provider were used.
- **Out-of-Network Area:** When there are no network Providers located within a 30-mile radius of your local residence, charges from such Providers will be treated the same as a U.S. In-Network Preferred Provider.

The Insurer retains the right to limit or prohibit the use of Providers which significantly exceed Allowable Charges.

4.0 PRE-AUTHORIZATION REQUIREMENTS AND PROCEDURES

Pre-Authorization is a process by which an Insured Person obtains approval for certain medical procedures or treatments prior to the commencement of the proposed medical treatment. During this process, the Insured may also be directed to in-Network Providers capable of providing the appropriate level of care. SureGo Administrative Services must be contacted a minimum of 10 business days prior to a non-urgent scheduled procedure or treatment date, or within 48 hours (or as soon as reasonably possible) after an emergency admission, to initiate the Pre- Authorization process by downloading a form online at <https://mysurego.com>.

Seeking medical care at a Hospital emergency room is advised only if the Insured is suffering a Medical Emergency. When a Medical Emergency exists, the SureGo Administrative Services team must be contacted no later than 48 hours after seeking care. Within the United States, use of the emergency room for non-emergency services may result in higher Out-of-Pocket costs to the Insured Person.

The following services require Pre-Authorization:

- Any Hospitalization;
- Outpatient or Ambulatory Surgery;

- All Cancer Treatment (Including Chemotherapy and Radiation);
- Prescription medications in excess of \$3,000 per refill; and
- Medical Evacuation/Repatriation and all other Non-Medical Expense benefits;
- Any condition, which does not meet the above criteria, but are expected to accumulate over \$10,000 of medical treatment per Period of Insurance.

Failure to obtain pre-authorization will result in a 30% reduction in payment of covered expenses. Any such penalty will apply to the entire episode of care and does not apply to the Out-of-Pocket maximum. If treatment would not have been approved by the pre-authorization process, all related claims will be denied.

Pre-Authorization approval does not guarantee payment of a claim in full, as additional Copayments and Out-of-Pocket expenses may apply. Benefits payable under the Plan are still subject to Eligibility at the time charges are actually incurred, and to all other terms, limitations, and exclusions of the Plan.

In the event of an emergency that requires **medical evacuation**, you must contact SureGo Administrative Services in advance in order to approve and arrange such emergency medical air transportation and to have coverage. SureGo Administrative Services, on behalf of the Insurer, retains the right to decide the medical facility to which the Insured Person shall be transported. Approved medical evacuations will only be to the nearest medical facility capable of providing the necessary medical treatment. If the person chooses not to be treated at the facility and location arranged by SureGo Administrative Services, then transportation expenses shall be the responsibility of the Insured Person. Failure to arrange transportation as indicated will result in non-payment of transportation costs.

9.0 HOW TO FILE A CLAIM

Claims must be filed within **180 days** of treatment to be eligible for reimbursement of covered expenses. Claim forms should be submitted only when the medical service Provider does not bill the Insurer directly, and when you have out-of-pocket expenses to submit for reimbursement. All claims worldwide are subject to Usual, Customary, and Reasonable

charges as determined by Surego Administrative Services and are processed in the order in which they are received. In order for claims payment to be made, claims must be submitted in a form acceptable to Insurer.

9.1 Medical Claims

To file your claim, submit it online at mysurego.com Log into the Member Area and select Submit Claim, and then follow the instructions to complete the online claim form. If you are unable to submit your claim electronically, you can mail or fax your completed claim form and copies of supporting documentation. After submitting the claim, you will receive a claim reference number and an electronic receipt for the claim will be sent to you by email.

Claims may be submitted to the Insurer directly by the Provider or Facility. The Insurer will process the claim according to the Schedule of Benefits and Plan terms, and remit payment to the Health Care Provider. Ineligible charges or those in excess of the Allowable Charges will be the responsibility of the Insured Person.

If the Insured Person has paid the Health Care Provider, the Insured Person will submit the claim form along with the original paid receipts directly to the Insurer. Photocopies will not be accepted unless the Claim is submitted electronically. The Insurer will reimburse the Insured Person directly according to the Schedule of Benefits and Plan terms.

9.2 Accidental Death and Dismemberment Claims

To substantiate a claim for benefits covered by the terms of this Plan, the following initial documents must be submitted:

- An official certificate of death, indicating date of birth of the Insured Person;
- A detailed medical report at the onset and course of the disease, bodily Injury or Accident that resulted in the death or dismemberment. In the event of no medical treatment, a medical or official certificate stating the cause and circumstances of death;
- The Insurer will pay the benefit as soon as the validity of the claim for benefits has been reasonably satisfied. Expenses incurred in relation to the substantiation of a claim will not be the responsibility of the Insurer.

9.3 Submit Claims By:

Online: <https://mysurego.com/claims/submit-claim/>

Mail: SureGo Administrative Services, PO Box 2069, Fairhope AL 366533

Fax: 251-666-1806

Email: claims@mysurego.com

9.4 Reimbursement Options

Claims reimbursements will be made by:

- Electronic Direct Deposit for the Insured Person where the receiving bank is located in the U.S.,
- Wire Transfer for the Insured Person's and overseas Providers where the receiving bank is located outside of the U.S., or
- Check sent to the Insured Person or Provider where electronic payment is not possible.

9.5 Settlement of Claims

When claims are presented to the Insurer, the Allowable Charges will be applied towards the Deductible. Once the Deductible has been satisfied, all Allowable Charges will be paid at the percentage listed on the Schedule of Benefits, up to the listed benefit maximum. Note the amount of Allowable Charges applied towards the Deductible also reduces the applicable benefit maximum by the same amount.

If the Plan has an Out-of-Pocket Maximum, once it is met the Plan will begin paying 100% of Allowable Charges for the remainder of insurance coverage, subject to the benefit maximums. The Out-of-Pocket Maximum does not apply to any expenses covered under the Prescription Medications benefit.

9.6 Status of Claims

To request the status of a claim or have a question about a reimbursement received, please submit the status request form via our website at [Mysurego.com](https://mysurego.com) or e-mail customer service at claims@mysurego.com. Inquiries regarding the status of past claims must be received within 12 months of the date of service to be considered for review.

9.7 Releasing Necessary Information

It may be necessary for the Insurer to request a complete medical file on an Insured Person for the purpose of claims review or administration of the Plan. It may also be necessary to share such information with a medical or utilization review board, or a reinsurer. The release of such confidential medical information will only be with written consent of the Insured Person.

9.8 Coordination of Benefits

The Coordination of Benefits (COB) provision applies when an Insured has health care coverage under more than one health insurance policy or health insurance plan (a "Plan"). This includes group and non-group insurance contracts, medical benefits under group or individual automobile contracts, and any other federal government plan.

The order of benefit determination rules governs the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan pays benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that the payments from all Plans does not exceed 100% of the total Allowable Expense.

Order of Benefit Determination Rules

When an Insured is covered by two or more health care plans or policies, the rules for determining the order of benefits are as follows:

- If a Plan does not have a Coordination of Benefits provision, it will always be the Primary Plan.
- The Plan that covers the claimant as the Primary Insured, (in case of this Policy, a Class 1 Eligible Person shown on the Schedule of Benefits) is the primary Plan and the Plan that covers this Person as a dependent is the Secondary Plan.
- The Plan that covers the claimant as a Dependent Spouse or Child (in the case of this Policy other than as a Class 1 Eligible Person shown on the Schedule of Benefits) is the Secondary Plan and the Plan that covers this person other than as a Dependent is the Primary Plan.
- If two plans cover the claimant as a Primary Insured, the Plan that has covered this person for the longer period of time is the Primary Plan.

- If two Plans cover the claimant as a Dependent Child, the Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan. If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.

If an educational institution, Sponsoring Organization, or any other entity provides health coverage for organized sports and activities, such coverage is the Primary Plan and this coverage will be a Secondary Plan.

9.9 Subrogation, Reimbursement, and Assignment of Rights

Benefits paid under the Plan are paid on the condition that We are entitled to pursue subrogation and receive reimbursement for an Injury or Illness for which We have provided benefits when You have accrued a right of action against a third party for causing Injury or Illness for which i) We have paid benefits; and ii) You have received a judgement, settlement, or other compensation on the basis of that Illness or Injury. We have the right to be reimbursed whether the recovery You receive, or to which You are entitled, is made in a single payment or incrementally over time. Our reimbursement and subrogation rights extend to all amounts available to You or that You have received by judgement, settlement, or other recovery, including but not limited to benefits from policies of insurance issued to You and/or in the name of a covered family member or that otherwise insure to Your benefit. We automatically have a lien on any payment You receive or are entitled to receive from any person or entity because of a claim for which We have paid benefits. The lien may be enforced against any party who acquires funds arising out of or attributable to the claim.

Our obligation to pay benefits is always secondary to any automobile No-Fault/Personal Injury Protection or medical payments coverage. To the extent that We have paid a benefit for an amount that is payable by any automobile No-Fault/Personal Injury Protection or medical payments coverage, We shall have the right to collect any such amount from the automobile insurer.

You and any of Your legal representatives shall fully cooperate with Our efforts to recover the benefits We have paid. You must notify Us within 30 days of the date when notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to the Illness, Injury, or condition for which We have paid benefits. You shall do nothing to prejudice Our subrogation or recovery interests or Our ability to enforce the terms of these provisions. We have the sole authority and discretion to decide whether to pursue any right of recovery under this provision.

We are entitled to and may pursue any and all parties which may be liable to provide compensation to You for the claims at Our expense and may bring such action in Our name as Your subrogee/assignee. You agree to fully assist Us in pursuit of Our rights and subrogation if We do so by assignment.

10.0 APPEALS PROCEDURE

If a claim is wholly or partially denied, a written notice will be sent to the Insured Person containing the reason for the denial. The notice will include a reference to the provision in the Plan description and a description of any additional information which might be necessary for reconsideration of the claim. The notice will also describe the right to appeal. A written appeal, along with any additional information or comments, may be sent within 6 months after notice of denial. In preparing the appeal, the Insured Person, or their representative, may review all documents related to the claim and

submit written comments and issues related to the denial. After the written notice is filed **and all relevant information is presented**, the claim will be reviewed, and a final decision sent within 60 days after receipt of the notice of the appeal.
