If you are visiting your Home Country during a scheduled school break, your Home Country coverage prevails. A complete description of the benefits, conditions, limitations and exclusions of coverage governing this insurance are contained in the policy terms and conditions and the Certificate of Coverage issued to you. If there is a difference between this Guide and the policy terms and conditions, the policy terms and conditions will control.

Important Information

- **Where do I go for medical care?**

- **Student Health Center:** We always recommend that you visit your Student Health Center for all your medical services, treatments, and procedures, when available. Your Deductible and Copayments will be waived when you use your Student Health Center. If you do not utilize the Services which are typically provided by the Student Health Center without charge to you, or Services covered or provided through the payment of your student health fee, these Services will be excluded from coverage under this Policy; and you will be responsible for any amounts charged to you.
- **Non-Emergency/Non-Urgent Care:** If the Student Health Center does not provide the required care and you have a non-emergency situation, please contact a ConciergeCare counselor at the telephone number on the back of your ID card to guide you to the appropriate In-Network Physician (i.e., local doctor, walk-in clinic, or urgent care facility) in your area and assist you in scheduling an appointment. Utilizing a hospital emergency room for non-emergency care will result in additional expenses and out of pocket costs to you. You will be charged a Copayment when you use an emergency room (waived if admitted).
- **Emergency Care:** In case of a serious medical emergency, contact emergency services at 911. After the proper authorities have been contacted, contact ConciergeCare so we can lead you in the right direction and help you through any hardship you may have.

If you are unsure whether you should visit an urgent care center/convenience care clinic or an emergency room, contact a ConciergeCare counselor who may guide you to the appropriate Provider. You may reach a ConciergeCare Counselor at +1.855.773.7810 or e-mail: Conciergecare@payerfusion.com. In the event of an emergency, however, you should always contact emergency services wherever you are located.

- **Certain procedures and medical services covered by your Policy require Pre-Authorization.** If Services have not been coordinated or approved by the Plan Administrator, if required under the Policy, it will result in a penalty (if a covered Service) or denial of the entire episode of care (all Services including, but not limited to, Hospitalization, Procedures, Treatments, and Physician fees) if the Service would not have been approved under this Policy. **Please refer to your Summary of Benefits for all Services and Procedures that require Pre-Authorization (which are indicated by an asterisk).**
- **Prescription Medication:** You must present your ID card to the pharmacy, along with your Copayment, when the prescription is filled. If you do not use an approved pharmacy, you will be responsible for paying the full cost for the Prescription Drug. If you do not present your ID card, you may need to pay for the Prescription Drug and contact ConciergeCare within 48 hours in order to reimburse you if the medication is included in the formulary. For inquiries regarding your Medication Program, Prescription Drug Benefits or to obtain information regarding participating pharmacies, please contact your ConciergeCare Counselor or visit the PBM website at www.ehimrx.com.
- **Out-of-Network benefits are subject to Usual, Reasonable and Customary Charges.** We do not cover any amounts that are not within Usual, Reasonable and Customary Charges. We recommend that you notify us of any planned inpatient procedure, outpatient procedure, diagnostic services or laboratory tests to ensure full reimbursement of the medical services provided. Your Provider should advise you of the costs of the recommended Treatment or Procedure. If the costs of the Treatment or Procedure are likely to exceed Usual, Reasonable and Customary Charges, you should request a written estimate and contact WellAway before any Treatment or Procedure takes place.

When Your Coverage Begins and Ends

Your coverage takes effect at 12:01 a.m. on the date stated on your ID card as the Effective Date and the Premium has been paid. The period of coverage is referred to as the Benefit Period and will end at 11:59 p.m. on the date indicated your ID card. If a Covered Person was repatriated back to his/her Home Country, coverage will terminate upon the departure from the United States.

- WellAway has the right to investigate eligibility status and attendance records to verify eligibility requirements are met. If it is discovered the eligibility requirements are not met, the insurance coverage will be terminated.

Cancellation and Refunds

You will only be allowed to cancel your Policy and obtain a refund of your Premium if:

1. Your waiver is not approved by your educational institution within thirty (30) days of the Effective Date of coverage because your Policy benefits do not meet the educational institution's minimum insurance requirements. You must provide written proof that your educational institution has denied your waiver request stating the reason for the denial; or
2. You withdraw from classes within thirty (30) days from the Effective Date of coverage under a school-approved leave of absence. You must provide written proof of the approved leave of absence and return date to your Home Country.

You must provide written notification to the Insurer of your refund request within thirty (30) days of the Effective Date of coverage. You will not be eligible for a refund if there are any claims on file during the Benefit Period. A Force Majeure event will not operate to automatically entitle any Covered Person to a refund of Premium previously paid and will also not operate to extend the Benefit Period. **WellAway will be entitled to retain an administrative fee in the amount of \$50 for any approved refund.**

In-Network Provider

WellAway provides access to the United Healthcare Global Options PPO Network. All Providers in the Network are "In-Network Providers" and available to you for your healthcare needs. Using an In-Network Physician and Provider will reduce your costs and allow you to obtain significant savings but are still subject to those Services that require Pre-Authorization and other requirements under this Policy. Your ID Card is your key to accessing all of the Providers available to you as an Insured Person. Contact our ConciergeCare team via the telephone number on your ID Card. We are experienced in guiding you to the most appropriate providers for you. Please present your ID Card to your Provider at the time of receiving Services.

Pre-Authorization

Certain Services require Pre-Authorization and we always recommend that you use an ***In-Network Physician and an In-Network Facility*** in order to minimize your costs. Pre-Authorization is a process by which an Insured Person obtains approval for certain non-Emergency medical Services prior to the commencement of the proposed Service. Please contact our ConciergeCare team to request a Pre-Authorization at least five (5) business days prior to the scheduled Service, unless a greater time period is required as stated in the Policy. When you contact us for Pre-Authorization, we will recommend that you use an In-Network Physician and an In-Network Facility within the Network if we anticipate that the contracted amount with the Provider will exceed the Usual, Reasonable and Customary Charges. Complete medical records must be submitted to our Plan Administrator for review of Medical Necessity in accordance with the terms of the Policy. A cost Estimate of the Services will also be required at the time of the request for Pre-Authorization for any Services. ***Services and Procedures that require Pre-Authorization are indicated by an asterisk.***

If you do not obtain prior authorization or provide pre- service notification, we may:

1. Deny payment of the claim; or
2. Apply a benefit penalty when the claim is presented to us for payment consisting of one of the following:
 - a. \$500;
 - b. 20% of the total Allowed Amount of the claim; or
 - c. The lesser of \$500 or 20% of the total Allowed Amount of the claim.

The decision to apply a penalty or deny the claim will be made uniformly and the applicable denial/penalty will be identified in the notice describing the prior coverage authorization and pre-service notification programs. Notification of Medical Emergency Services must be received by the Insured Person, or someone acting on behalf of the Insured Person, within 48 hours of an Admission or Procedure. In the event of an Emergency, the Insured Person should go to the nearest Hospital or Provider for assistance even if that Hospital or Provider is not part of the Network.

Pre-Authorization approval does not guarantee payment of the claim and the Insured Person is responsible for any Deductible amounts and any costs which are not within the Usual, Reasonable and Customary Charges.

Worldwide Coverage

If the Covered Person travels during a college/university scheduled winter, spring or summer break or if the Policyholder enrolls in a study abroad program outside the United States which is sponsored by the student's college or university, this Policy will provide worldwide coverage for the duration of the travel or the study abroad program, as applicable (*the student will be required to provide documentation of the study abroad enrollment and any other relevant documentation requested by Insurer*). Services provided outside the United States (*excluding the Home Country and Restricted Areas*), are covered per Covered Person for those Services stated in the section titled "What is Covered."

All covered Services must be Medically Necessary for the treatment of a Covered Person's Condition. All benefits are subject to Usual, Reasonable and Customary Charges. Please refer to your Summary of Benefits for applicable Cost Share amounts.

We will attempt at all times to settle the costs directly with the Hospital and/or Provider; however, it is in the Hospital's and/or Provider's discretion to accept direct payment from us. In the event a direct settlement is not accepted by the Provider or Hospital, WellAway will:

- (i) send the remittance to the Covered Person at the time Services are rendered or upon discharge via credit/debit card or other financial instrument; or
- (ii) request the Covered Person to settle the invoices in full directly with the Hospital and/or Provider. Thereafter, the Covered Person may submit the invoices for reimbursement; provided, however, reimbursement will be in the amount of the Usual, Reasonable and Customary Charges for such Services. All reimbursement requests must be done in accordance with the Post-Service Claims section of this Policy.
